

Agriculture / Pre-Vet

Discover your journey in a program where you'll amplify your learning, advance your interest beyond the classroom, and maximize your experience.

Connect with Arcadia Abroad:

Your study abroad journey starts here—and we're here to support you every step of the way. Connect with us to explore programs, get your questions answered, and access exclusive student resources. We can't wait to help you take the next step toward your global adventure!

Scan the QR Code to access our Arcadia Abroad Student Resource page where you'll find links to:

- our virtual drop in hours (held Monday–Thursday, 12:30–5:30 Eastern).
- the @ArcadiaAbroad Instagram, TikTok, and YouTube.
- our Linktree: <https://linktr.ee/arcadiaabroad>
- information about programs by country, major, & discipline index

Why Arcadia Abroad:

- **Academic Excellence:** Receive high-quality education and personal academic advising to ensure strong academic performance.
- **Comprehensive Support:** Benefit from health, safety, and wellness guidance, as well as personal guidance and logistical support, ensuring a smooth and enriching experience that can be highlighted on your resume.
- **Cultural Proficiency:** Develop critical thinking and cultural proficiency through immersive experiences and guidance from experienced in-country staff, making you a well-rounded candidate for future opportunities.
- **Networking Opportunities:** Network with peers and professionals through program events, and in-country connections, enhancing professional and social skills.
