

# GREECE

[studyabroad.arcadia.edu](http://studyabroad.arcadia.edu)

Based in the heart of central Athens, Webster Athens offers students the opportunity to explore and study historic sites in Greece, while also studying the region's rich history and culture. With its extraordinary artistic, intellectual, and cultural heritage, Athens is richly endowed with resources for study and experiential learning

## Programs

- Webster in Athens

## Excursions & Activities

- Mycenea - UNESCO World Heritage site and a look into Bronze Age Greece. Home of the Agamemnon from the Trojan War and the iconic Lion Gate and the massive Cyclopean walls.
- Epidavros- Visit the remarkable remains of 4th-century BC Greek theatre, learning about the archeology and history of Greek theater.
- Meteora- Towering rock formations jutting out from Central Greece topped by 14th-century Eastern Orthodox monasteries. The landscape helped to shape the people while the people shaped the landscape themselves.
