In each program, we will introduce you to the rich history, beauty, culture, lifestyle, art and romance of these distinct and wonderful regional identities.

All programs include learning on-site so you can visit, experience and feel the topics you are studying. From overnight visits to Parma and Modena, to day trips to Assisi, to cooking classes at Malvarnia, your coursework will bring these locations to life.

### Marta Cabrera, Resident Director for Spain

*I am originally from Granada, but a true product of Study Abroad. Living, working, and studying abroad has shaped and defined not only my career and professional goals, but who I am. After several courses abroad as a teenager, I spent my junior year studying at Trinity College Dublin, where I realized I was meant to teach Spanish language and culture and share my own culture with others. Upon graduation, I went to the U.S., originally for two years to complete a Master's and learn how to best do this. I ended up spending almost nine years teaching Spanish and completing a PhD. I now work with U.S. undergraduate students and witness their discovery of a foreign culture together with their personal growth; I am thrilled to be if only travel companion in their journey, while showing them around my hometown. I could not dream of a better job!*

Dr. Marta Cabrera received her B.A. in English and then in Spanish from the University of Granada, her M.A. in Foreign Language Teaching from the University of Delaware, and her PhD. in Spanish and Cultural Studies from Rutgers University (New Jersey). Besides teaching in these places and at the Centro de Lenguas Modernas (Universidad de Granada), she has assisted in or directed study abroad programs through Spain since 2002 with the University of Delaware, Rutgers University, Willamette University, and Arcadia Abroad.

### Arcadia's Staff in Granada

Our local staff and faculty are here to support, encourage and guide you through your time in Spain so you can make the most of every opportunity and enjoy learning about the real people and cultures of your location.

The stunning scenery and welcoming local atmosphere make this program a perfect choice for those students interested in Spanish language and culture.

**Cornerstone Course:** To anchor your experience in Granada, you will take a course on Spain's diverse socio-economic cultural landscape, focusing on its recent transformations and the post-dictatorship socio-political landscapes. In addition, you'll take four courses at the Centro de Lenguas Modernas (CLM) at the University of Granada.

**Spanish language and culture tracks:** Whether you are at a beginner, intermediate, or advanced level of Spanish, you'll take a placement exam and join the course that fits best.

- + **Optional pre-session Spanish:** An intensive month-long Spanish language course prior to the start of the semester is available for all levels of Spanish for an additional fee.
- + **Internship:** Depending on your level of Spanish, you can take an internship option at the CLM, with a placement in education, public health or business.
- + **Excursions:** Activities, events and site visits organized by local staff help you to learn outside the classroom and truly make the most of your experience. Excursions may range from guided exploration of the famous Alhambra and a treasure hunt around the city, to a fascinating visit to Morocco in Northern Africa.
- + **Arcadia+ Options:** Looking for more? Replace one of your CLM elective courses with a virtual Internship placement or conduct independent research with a local faculty member on a project that you design.
