2024-2025

# SUMMER

# Welcome to **ARCADIA** ABROAD

Students from colleges and universities across the U.S (like you!) have been studying abroad with Arcadia for over 70 years. Join the more than 70,000 students who have learned, grown, and adventured with Arcadia Abroad!

- + Over 100 programs offering applied learning opportunities in 15 dynamic countries
- + Wide range of disciplines and programs around the world
- + Programs to fit your schedule – from semester to summer to academic year
- + Support to increase your access to study abroad in ways that matter
- + Arcadia staff around the world to help you make the most of your journey.

# Time to explore the world & your potential

Study abroad with Arcadia opens up exciting new worlds to you – yes, a new country, but also new ways of learning both academically and through experiences inside and outside the classroom. Enjoy wonderful times with friends, mentors and teachers you haven't met yet.

You'll enjoy the challenge of strong academic courses and you'll apply that learning in new places, with different people and in cultural situations you would never see at home. You'll have fun along the way as you share life-changing experiences with other students and locals alike.

By the time you come home, you'll be enriched and energized with skills, knowledge and credits in your back pocket. Your new level of understanding for how the world works and how people lead meaningful lives will be transformative for you, both personally and professionally. Let's help you rise to your potential!

## ARCADIA UNIVERSITY

Founded in 1853, Arcadia University is a leader in international education. The first group of Beaver College women traveled overseas in 1948 to study the economic effects of World War II in Europe, paving the way for generations of students to study abroad. Over seven decades later, Arcadia University continues to offer excellence in international education and has integrated it as a core component of the higher education experience.

Will I have authentic involvement in the local community?

Will this program give me the best academic experience?

How will this experience be meaningful for me?

What life skills will I take away from this?

## Where will study abroad take you?

Learn and enrich the whole you – from wonderful academic development to personal and professional growth and fulfillment.

It's **Applied Learning** in action – learn as you go and use your skills everyday in different situations so when you come home you have a whole new level of confidence and ability.

# Where will study abroad take you?

Our goal is to help you amplify your journey intellectually with contextualized academic study; authentically with community engagement; personally through your choice of adventures; and professionally with high-impact experiences in applied learning.

## LEADERSHIP

RESPONSIBILITY EMPATHY

CULTURAL AWARENESS

### Exploring

All programs include guided visits to everywhere from historical landmarks, bucket-list venues, to key local community hotspots – including many off-the-beaten-track experiences.

### Magnifying

Meaningful and challenging experiences add depth to your résumé and show employers and graduate schools you've done and learned MORE.

### Building

From trying a new sport or joining a club or society, to attending Arcadia-organized social events, there will be many ways for you to connect with other students and share your adventures.

### Contributing

Join volunteer organizations to give back to local communities or causes. Help empower an organization's impact on your adopted community!

“Arcadia lives up to the mantra of “Learn Everywhere.” Part of studying abroad really made me open my eyes to taking lessons at any and all opportunities. It’s not always about the classroom and it is certainly not always about the grade, but it’s definitely about what you can take away from the lesson.”

## Global Center (Virtual)

Join Arcadia faculty in London, Dublin, Edinburgh, Granada, Rome, and Sydney for a range of fascinating online courses. You are able to select course options from across our international centers, and add on an internship if you wish.

This innovative program will enable you to have a version of study abroad, joining an online community of students taught by Arcadia faculty overseas who are eager to bring you into the world of their course and of their location. We also offer the opportunity to select virtual courses from our international partners. These courses focus on the themes and topics that make each institution special, giving you the chance to explore a new discipline, international location, or educational style.

*\*Placements are on a first come, first served basis so early application is recommended.*

### Program Dates

Mid June - Early July

## Global Virtual Internships

Enhance your summer with a virtual internship in Dublin, Edinburgh, London, Rome or Sydney. An Arcadia Abroad Virtual Global Internship provides you with international work experience and a credit-bearing internship course to add to your study at your home school.

- + Enjoy mentoring, networking, and reflection time with Arcadia staff and faculty in the country where you are pursuing your internship.
- + A digital resume workshop is included to help you articulate your experience to future employers and graduate admissions officers.
- + Your global network will grow through Arcadia staff and faculty and through your employer. You'll also meet other virtual interns from schools across the US.
- + Our in-country staff have curated a library of free, online excursions to help you look beyond your placement and to engage with your host community. You'll have loads of fun exploring and discovering.
- + Placements are offered on a first come, first served basis, so submit your application and confirm your participation early.
